CHICAGO, November 10, 2022—[The Kemper Foundation](http://TheKemperFoundation.org) has expanded its Read Conmigo bilingual educator grant program and opened the spring 2023 grant cycle. In addition to the Greater Los Angeles area, the program will be offered in Miami-Dade County, Florida and Dallas County, Texas. Eligible educators can now apply for grants in these communities.

The [Read Conmigo program](#) underscores The Kemper Foundation's commitment to advance bilingual education through support of elementary schoolteachers. "The program's mission is to improve bilingual learning for children across the country. Through this expansion, we'll be able to provide critical funds to more well-deserving elementary teachers, increasing our overall impact and advancing our mission."
